## Peace Poster Night, Dinner Meeting February 22

Once again another successful Peace Poster challenge to the grade 6 students of Schomberg Public School.

This year the theme was “Vision Of Peace” and the three finalist from Schomberg expressed the theme very well.

All three students and parents were guests at the dinner along with their teacher Heather Hawke who has been supporting the Peace Posters for many years now, and who uses this art contest as a lesson for the kids to learn to express themselves outside of words.

We thank Mrs Hawke very much!

The guest speaker at the meeting was local councillor Bill Cober who handed out the framed posters and certificates to the kids and to Mrs Hawke, and who encouraged the club to continue the work in the community.

Lion Gail Feeny, chair of the poster committee, showed us how to say peace in sign language and told us that “Smiling is infectious”

Emmy Frame was the Schomberg winner with this artistic interpretation of “Vision of Peace”

# Autistic Awareness, Dinner Meeting February 28

This evening, organised by Lions Paul & Gail Feeney has to be one of, if not the largest dinner meeting in the Club's history!

Over 90 people attended including members from 8 clubs and three districts, and District Governor Pat Byers.

Guest speakers were Christine Johnson of Kerry's Place, Autism Services, who spoke of the growing number of kids who are being diagnosed with autism and the increasing awareness in the general

population to help these kids and their families.

She told us that research shows that people suffering with autism get a lot of peace and comfort by being close to nature, and to take advantage of this Kerry's Place is in the process of designing gardens which will be beneficial. To this end they are working with Walt Rickli a stone sculptor, who was the second speaker.

Christine asked the Lions Clubs to contribute in any way they could.
