Schomberg Lions Club

November 2011

October Dinner Meeting in the Trisan Centre

The Meeting held on October 3rd was the second one held at our new location in the Trisan Centre.

For convenience this was in the Curling Lounge but all the rest will be in the Multi Purpose room, the place the Club

Don Goodyear

agreed to sponsor last May.

As can be seen there is certainly lots of room and the kitchen seems to work well.

Present at the meeting was Don Goodyear who is a director of the Lake Simcoe Conservation Authority, and a friend of Gord Dobson. He talked about the water supply in Schomberg, informing us that the wells in Schomberg are about 300ft.

Dinner Meeting September 12th

Bill Koppens Receives the "President's Appreciation award from President Bob Gwalchmai.

Sustainable King

Also at this meeting there was a presentation by Sara Puppi from "Sustainable King", she told the club about the Sustainability Plan that is being formulated by King Township, with a view to collecting opinions from residents of the Township about what they would like to see happen in the Township in the coming years.

Loris Gregoris

Loris Gregoris announced he will be leaving the club as he is moving out of the area.

Loris was only with us a short time but he was a great help in setting up the room for meetings and his photographic skills helped get the bulletins done!

September 17 was a busy day for some Lions , not only did we feed the street but some helped kids assemble
