## Tree Planting on the Marsh

On October 20th (the day after the Fish & Chip Supper) a group of Lions participated in planting 300 trees on the Dufferin Marsh.

Under the leadership of Lion President Bob, this was a wonderful

example of what the Lions stand for: making our community and the world a better place!

As quoted in the King Weekly: “Our recent tree planting was a great event. Sixteen volunteers sloughed through the wetland muck and along an embankment planting about 300 trees and shrubs. It was hard work but the results will be worth it. Thank you to all the volunteers, to the Schomberg Lions for their enthusiastic support, and to the Schomberg Village Association for their donation towards the purchase of the plants and refreshments. This was the final event of a 1.5-year project that was funded and supported by the Ontario Trillium Foundation, the Region of York Greening Strategy, the York Environmental Stewardship, Landowners Environmental Assistance Program (LSRCA), Ecoaction (Environment Canada) and the Township of King.”

This is in line with the Lions International Project which by the end of the last Lions Year had seen over 15 million trees planted world wide.

Thank you Lions Bob, Susanne, Brenda and Cheryl Fisher!

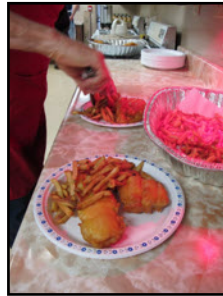

## Fish & Chip Supper October 19

Now an annual event the “British Fish & Chip Dinner” went off well, all the diners seemed to enjoy the feast.

Though the number of diners was down from last year, and the cost of food had increased we still brought in over \$1000.

Special thanks to Cheryl Fisher for decorating the Hall with a British theme.

*Good to see the kids participating as well!*

Thanks to Cheryl Fisher for the photos of the Dinner and the planting

## From the District

### Governor Maureen Hilt's trip to Korea

Governor Maureen attended the Lions International Convention in Korea recently, she commented in the newsletter “...Following four days of Governor School the convention started, bringing in more Lions from around the world. We went to a few hospitality parties put on by United Kingdom, Pennsylvania and Germany. We also attended the wrap up party on our last night with most of the attendees from International. I voted on the last day and after President Wayne was sworn in, everyone had their ribbons pulled from our name tags, making us official governors for 2012-13. A very memorable experience but it was nice to see Canada again and a return to our choice of foods”

## A Challenge to All Lions in District A12

by Lion Mary Ratensperger

As we start the new year in Lionism together, I would like to put out a challenge to all clubs in District A12.

The challenge is to collect two million pennies to cover the cost of placing one Dog Guide with someone with a disability.

This is a new program Lions Foundation of Canada has started this year. As you might be aware, the Canadian Government is phasing out the penny, so let's start collecting them this year and make a difference to someone less fortunate.

Sounds like a lot of pennies so empty those jars on your bedside table, ask your grandchildren to help, put a jar at your workplace or ask the local veterinarian to put up a jar, but let's do it.

The Nancy Island Lions Club, which is my home club is going to try to fill a two gallon pail with pennies so we challenge you to try and beat us.

You have until the A12 Convention, April 26, 2013.

Thank you for your participation. It is a great day to be a Lion! I hope to be able to visit most of the clubs in the district this year to let you know what is new and interesting at the Lions Foundation of Canada.

### Upcoming Activities & Events
